DEMAR FORGE®

Our company established in the Astim Organised Industrial area in Aydın is producing wrought iron furniture and accessories for home and garden.

Our family being in the iron business for four generations started producing forged iron in 1998.

Our company realised its first export deal in the year 2000.

All the items shown in our web site are produced in our factory.

Our other factory Demar Mühendislik which produces water purifying installations and equipment started in 1989 and also produces machines and dies which supports our other production.

Apart from our own models we also produce models created by our customers.
