4 nesiden günümüze kadar demir işleri ile uğraşan ailemiz 1996 yılında Demar Makina İnşaat Sanayi ve Ticaret Ltd. Şti. olarak demar forge markası ile ferforje mobilya ve aksesuar imalatına başladı.

Aydın Astim Organize Sanayi Bölgesinde 17.000 m² açık , 7.000 m² kapalı alanda kurulu olan firmamız ağırlıklı olarak ihracata yönelik çalışmaktadır. 2005 yılında yurt dışı müşterilerimizin talepleri doğrultusunda katlanır sandalye ve masa imalat çalışmalarımız başladı. Kısa bir süre sonra mevcut makine, kalıp ve iş gücümüz ile katlanır sandalye ve masa seri imalatına geçildi. Ürünlerimiz kalite ve müşteri memnuniyeti doğrultusunda yurtiçi ve yurtdışında talep ve tercih edilen ürünler haline geldi.

Firmamız ABD, Avrupa , Japonya , İsrail olmak üzere 27 ülkeye ihracat yapmaktadır. Kendi modellerimiz dışında müşterilerimizden gelen modellerinde imalatını yapabilmekteyiz.

Firmamız % 100 yerli sermaye olup, ürünlerimizin tamamı Türkiye'de üretilmektedir.

Our family who has been in the iron business for four generations decided to go in to wrought iron business in 1996. Demar Makine İnşaat Sanayi ve Ticaret Ltd. Sti. was established and started operating under the trade name of demar forge producing wrought iron furniture and accessories.

The company is situated in Aydın Organised Industrial Area over 17.000 m² land 7.000 m² being covered space. The company mainly works for the export market. In 2005 due to the demand from the overseas customers the company started producing folding chairs and tables. The quality being accepted by the our customers the company widened its range, at the same time employed qualified engineers and work force, increased the number of machines to increase the capacity. All the metalwork and the wood work is made in the factory. We also produce in our work shop special tools and dies we need.

The company is exporting to USA, EU, Japan, Israel and in total to twenty seven countries. We produce our own designs as well as our customers designs. All our products are made in our factory in Turkey.
